

**Behind every Gates solution is the power of innovation.**

In a world of rapid change and advancement, Gates Corporation actively supports the innovative thinking that keeps progress in motion.

In 59 plants and 26 distribution centers in North and South America, Europe, Asia, Australia and the Gulf Region, our employees are committed to harnessing the power of new ideas.

As a leading global manufacturer, Gates consistently produces quality technical solutions that benefit our industrial and automotive customers and partners worldwide.

A Tomkins Company

Northern Ireland and Colorado.  
 Working together to develop partnerships in 21<sup>st</sup> Century technologies.

In 2003 Invest Northern Ireland chose Denver as a site for its new trade and technology office with the objective of developing partnerships that benefit both sides.

Northern Ireland. Where the talent lives.

To find out how the Northern Ireland Technology and Development Center Denver can help you contact:  
 Margaret McMahon, J.D.  
 Director
